EP700W

EcoPro G2 600 Litre Upright Wine Cabinet

Temperature

Wine
+10/+12 C

Dimensions (mm)

	W 700	D 820
H 2080		

Capacity

600 Litres

Features & Benefits

We've revolutionised professional refrigeration... again. Built from the ground up to include over 50 new features and innovations, the EcoPro G2 is loaded with new design, quality, reliability efficiency and performance features.

- All new thicker and more robust cabinet design with advanced thermal efficiency and market leading capacity making your money go further
- New 'smartphone style' touch sensitive hidden-until-lit control panel with unique high visibility temperature display combines sophistication with functionality
- All-new ergonomic door and handle design for ease of opening and cleaning
- "Designed using high technology: 'Fluid Food-Fresh Dynamics' modelling, the new and improved advanced Foster Circulair II air distribution system maximises efficient operation even when shelves are fully loaded"

- Brand-new refrigeration system designed to be the most technologically advanced and energy efficient yet
