Features & Benefits

The Slimline range's footprint is ideal for outlets where space is an issue. Slimline cabinets are ideal for smaller, independent catering outlets looking for value for money and quality refrigeration.

- Bottom mounted system draws air from the cooler part of the kitchen ensuring lower running costs
- Forced air refrigeration for efficient operation, even temperature distribution and fast recovery
- Automatic Defrost for hassle-free operation
- Electronic temperature display for accurate control
- Delivers the reliability and performance you would expect from a Foster at a highly competitive price
