## Products

# Rotary Ironers

### Key Features

**Powerplus:** Aluminium heater plates provide outstanding heat distribution and up to four times faster heat-up time than steel heater plates.

**Careplus:** Adjustable temperature control and roller speed provide optimal textile care.

**Flexplus:** Return feed operation enables flexible laundry planning.

**Volumeplus:** High throughput of up to 47kg per hour depending on model.

**Ecoplus:** Durable needle-felt roller cover for long service life.

**Comfortplus:** Ergonomic controls with ironing easily carried out by one operator.
